ALI SALMAN AL SINAN TRADING EST.

**YOUR TRUSTED PARTNER
FOR EVERYDAY CHALLENGE**

www.alialsinan.com

Ali Salman Al Sinan Trading Est. was started in 2011. The company has built a reputation of excellence in the undertaken activities and grown to become a key player and service provider for the industry in a short span of time.

We are located in Dammam area where we provide high quality services to our customers in the oilfield and construction industry by responding to their needs during the exploration, construction and production phases.

We have established sound relationship with a number of leading international companies thus enabling us to perform a wide range of services in line with customers expectations.

We have a team of qualified and experienced personnel, with in depth knowledge of the Oil and Gas industry. With our personnel and expertise we can support our customer's operations in entire Saudi Arabia.

We have built our reputation by demonstrating success in meeting customer's needs wherever the job may be.

About Us

Our oilfield services and Engineering is one of the most successful suppliers in the industry fully equipped to meet the ever growing needs of the Oil and Gas and Construction Industries. With dedicated team specialized in Onshore and Offshore, Installation and Services, Importing and Supply of Equipment Safety and Health equipment, Electrical, Electronics, Laboratory and Mechanical (Equipment, Materials, Components, Devices and Systems) Building materials etc. Our oilfield applies innovative technologies to discover and develop valuable resources, providing high-quality products and services to the market.

Expertise:

We at Ali Salman Al Sinan excels in providing the best products at the minimal turnaround time to all the Oil and Gas, Construction and building material requirements of our customers, in addition, our customers trust and value our product knowledge and industry experience to provide the right solution at critical times.

With dynamic and experienced purchasing team, we source from all over the globe to provide our customers right quality and value they need.

Why to buy from Us?

You can purchase with confidence from us, as we strive to give you the best customer experience when dealing with us.

QUALITY PRODUCTS - Sourced directly from the manufacturers.

TIME - Experienced staff saves your time & cost, understanding your requirement precisely.

PRICE - All items are priced in most competitive factor.

DELIVERY - Immediate delivery from stock.

For back order items, minimum turn around of lead time.

Complete line of products Tools & Accessories, Building materials, Hardware, Oilfield Supplies, Machineries, Industrial Equipments & Spare parts etc.,

ONE STOP SHOP FOR ALL YOUR INDUSTRY NEEDS

Reduce your procurement costs by buying a complete system from a single source.

PRODUCT RANGE

Oilfield & Construction supplies

Building & hardware materials
Electrical Products
Hand tools & Power tools
Oilfield equipments & Torquing tools
Pressure measurement
Safety products
Valves & fittings
Welding Equipments & consumables
Home appliances
Recreation room products

Industrial & Construction Equipments

Diesel generators ranging from 5kva to 2000kva
Portable Air Compressors
Screw compressors
Lighting towers
Forklift trucks
Pallet trucks
Site Dumpers
Ride on Sweepers

SERVICES

Fabrication and Engineering Division

Our engineering and fabrication division consists of experienced welders and fabricators with state of art workshop and mechanical facility. We undertake complete onsite engineering works esp. onshore related works with 24 hrs emergency services.

Some of our specialities are the following:-

Pod Blender cabins fabrication
Chemical injection / Oil skids
Tanks of various dimensions
Fabrication and Supply of Lube Trucks
Pump maintenance, repair and overhaul
Valve maintenance, repair and overhaul
Engine & Transmission overhauling
Air compressor repairs and overhauling
Brake repair & rebuilding services
Repair services for Flywheels, Clutches, Gearboxes, Reducers, Machines etc.,

Spare parts

Automotive spare parts for American trucks, Trailers

Engine parts for Caterpillar, Detroit, Deutz, Cummins, Perkins, Volvo, MTU, Waukesha

Parts for Allison, Eaton, Twin disc, Sauer Danfoss transmissions

Parts for Oilfield compressors Ingersollrand, Gardner Denver

Filters for all industrial & oilfield applications

Crusher parts - Blow bar, Impact plates, conveyor belts, Screen mesh, Spare parts for Power screens, Crusher plants.

Pneumatic & Hydraulics

Full range of industrial & oilfield hoses / fittings
24 hours - Exclusive Hose crimping facility
On-site Hose crimping Mobile unit
Hydraulic pump, motors, valves, Fittings

Air conditioning and Refrigeration Services and Repair
Rebuild hydraulic cylinders
Manufacturing seal kits for hydraulic pistons
Rewinding electrical motors
Assembling Electrical panels & controls
On site cable laying & Termination
Generator repairs
On site Hose service

EQUIPMENT RENTAL

Rental of Bobcat, wheel loaders, graders, Generators, Air compressors, Lighting towers, Forklifts & Bulk fuel tanks.
